About Us

Founded in 1926, Thompsons of York produce and supply the highest quality animal feeds to British farmers. Our mill is fully accredited to the Universal Feed Assurance Scheme (UFAS), ensuring feed products match the demands of the major retailers. We have always taken pride in the quality, safe manufacture, handling and storage of our feeding stuffs. Our customers know and trust the Thompsons name and the food safety assurances that enable them to compete in their markets.

The Role

We are currently looking to recruit for a Commercial Pig and Poultry Nutritionist to join our team!

- The role will require the individual to have an understanding of the commercial needs of the business.
- Using their nutritional expertise and knowledge to provide innovative nutritional products and services that satisfy the needs of the business.
- They will work closely with customers to recognise their individual needs and develop effective programs of best practice to advance the performance of their businesses.
- Being commercial and striving for high customer satisfaction through passion and with confidence.
- Customer facing, working closely with the Sales and Marketing team to both maintain and grow sales.
- Great communication skills are essential for working closely with suppliers, customers and the internal commercial team.
- Knowledge of feed formulation software. The ability to formulate Pig and Poultry diets that improve animal performance, as well as provide a strong and sound sales story based on good nutrition.

- They will work with the production team to meet quality and efficiency aspirations.

This is an opportunity to join an ambitious and enthusiastic team as part of a business that, through the reputation and the performance of its diets, is one of the leaders in the North of England.

Staff engaged by Thompsons of York are engaged in accordance with the Company's standard terms and conditions of employment.
